

SCRIP ANNOUNCEMENT

With the change of pastors, there is an audit conducted on each parish. After the internal audit for St. John Vianney, the Diocese of Winona reported numerous concerns with the SCRIP program. It was their recommendation that we discontinue the program.

In light of their recommendation, the Trustees, Finance Council and I have decided to accept their recommendation. SCRIP can be purchased through Sunday, November 21st at which time the general ledger will be reconciled and the program will cease.

I want everyone to be aware of what is taking place and why it is happening.

Thanks, Father Peter Schuster
